

Environmental Policy Statement

A J Freezer Water Services Ltd is committed to reducing the impact of its activities on the environment, assisting our customers in encouraging the use of more sustainable plant, materials and packaging.

To this end, A J Freezer Water Services Ltd is working towards continuously improving business operations to support sustainable environmental practices in both Commercial and Agricultural Premises.

In order to meet this commitment, A J Freezer Water Services Ltd will pursue the following objectives:

- To ensure compliance with all applicable environmental legislation
- To reduce emissions and pollution
 - Using a three-step process, on an annual basis, to measure carbon emissions including aspects of scopes 1 and 2 and 'core' elements of scope 3 emissions, engaging stakeholders in our carbon reduction journey, transparently and accurately communicating our sustainability efforts.
- To improve waste management practices
 - Implement further segregation of waste reducing the amount sent to landfill to zero.
- To reduce consumption of natural resource
- To minimise noise and other nuisances
- To assist in the management of improving staff awareness
- To continuously assess its environmental performance
 - By making it measurable and obtaining independent verification through our Planet Mark Business Certification. Our commitment is to make a year-on-year 5% reduction to our measured emissions through Plant Mark Business Certification.

The necessary personnel and financial resources will be allocated to assist the Company in meeting its environmental objectives. In addition, A J Freezer Water Services Ltd will continue to raise the levels of environmental awareness throughout its workforce and to promote this awareness to its customers and suppliers.

As Director it is my responsibility to ensure that the Company's Policy is implemented and to this end and in recognition that injury damage and loss can be avoided, we have responsibility for co-ordinating the overall effectiveness of Environmental Policy within the Company.

The Business will promote and encourage environmental working attitudes by active participation from all employees and accepts responsibility for the Environmental impact of all A J Freezer Water Services Limited's employees and stakeholders through our entire value chain affected by its business operations.

A J Freezer Water Services Ltd is committed to seeking to continually improve the Environmental Standards on its sites and premises.

Signed:

Mr Tony Freezer
